Report of General Manager

GM R. Housley provided an update on the building construction project. He also reported that the CR&R Anaerobic Digestion Plant field tour will take place on July 7, 2023, and that CR&R will perform the residential and commercial waste characterizations for the District beginning on May 15, 2023. GM R. Housley reported that our drivers will receive drivers training on Saturday, May 20, 2023, and that one of the sewer pipes has cracked at the residential intersection of Shawnee and Klamath.

Director of Operations/Safety N. Castro reported that he went to CR&R to see how the trash characterization was going on the first day. The trucks were chosen randomly. The blue, black and green rubbish was sorted separately. Following the completion of the survey, CR&R will present a report.

Report of Engineer

District Engineer M. Ebrahimi reported that there is a change order to the contract with Woodcliff Corporation and to see the staff report under 9B for more information.
